

Opioid Crisis in NJ Workshop Objectives

Feedback from previous workshop participants

“One of the best informational workshops I have ever attended! Fantastic!”

“This lecture provided up to date research on the topic of Opioids that is critical to our field. The instructor was very dynamic, and his use of humor helped keep me engaged throughout the entire training!”

WORKSHOP OBJECTIVES

1. Workshop participants will be able to differentiate the major elements the Federal Government uses when classifying drugs from schedule 1 through schedule 5.
2. Workshop participants will be able to identify national and local NJ trends with regards to prescribing practices and new legislation, opioid overdoses and trends with opioid use.
3. Workshop participants will be able to distinguish the difference between which drugs are considered naturally occurring opiates, which are considered semi-synthetic opioids and which are considered synthetic opioids.
4. Workshop participants will be able to list and describe three different best practice medication assisted therapies when working with clients who have an opioid use disorder.
5. Workshop participants will be able to identify at least three different harm reduction principles as it relates to treatment work with clients who have an opioid use disorder.

Opioid Crisis in NJ

What are the Goals of this Workshop for Providers?

The goal of this interactive workshop will discuss the latest developments and trends regarding natural opiates, semi-synthetic opioids, and synthetic opioids.

Participants will be able to identify national and local NJ trends with regards to prescribing practices and new legislation, opioid overdoses and trends with opioid use.

Participants will be able to distinguish the difference between which drugs are considered naturally occurring opiates, which are considered semi-synthetic opioids and which are considered synthetic opioids.

Workshop participants will engage in an interactive case that will develop throughout the workshop and have different objectives (e.g., assessing a proper level of care, and then incorporating a harm reduction treatment orientation with the client in regards to their MAT decision process).

2018 Rule Adoption for NJ LPCs, LACs, LCSWs, LSWs, LMFTs & LAMFTs (1 Hour Opioid Education)

New Jersey recently passed a Rule Adoption that requires all LPCs, LACs, LCSWs, LSWs, LMFTs and LAMFTs to receive 1 hour of continuing education on opioid use disorders (treatment, assessment and diagnosing, the societal problem impact). This course meets that continuing education requirement! This course covers the history of prohibition, differentiation of opiates and opioids, medication assisted treatments for opioid use disorders, and the dangers associated with use.

<https://clinicalsupervisor.net>

ABOUT THE PRESENTER: Glenn Duncan LPC, LCADC, CCS, ACS has been working in the behavioral healthcare field for thirty years. He has lectured nationally on many topics including clinical supervision. He is a Licensed Professional Counselor, a Licensed Clinical Alcohol/Drug Counselor, a Certified Clinical Supervisor, and an Approved Clinical Supervisor. For 15 years, Glenn served as the Executive Director of Hunterdon Drug Awareness Program, Inc. As Executive Director, Glenn continued to hold a clinical caseload and perform clinical services in addition to his other administrative duties. Glenn specializes in working with clients who have co-occurring substance use disorders, depressive disorders, and anxiety disorders. Glenn served as an expert panel member for a SAMHSA TIPS book on treating sub-acute anxiety in the substance using population.

Since 1999, Glenn has been teaching on many courses including a 45 hour clinical supervision workshop series, Emerging Drugs of Abuse, and The ASAM 3 Criteria. Glenn teaches nationally and is currently a trainer for the Change Companies (the folks who publish the ASAM 3 Criteria Book). Glenn authored a chapter on the use of live supervision in a community treatment organization for the book entitled "The Use of Technology in Clinical Supervision and Training: Mental Health Applications," (2016). Glenn has been teaching this course in NJ and MI since 2017. Glenn's NJ LPC License #: 37PC00095000. Glenn's NJ LPC License #: 37PC00095000. **Advanced Counselor Training, LLC has been approved by NBCC as an Approved Continuing Education Provider (ACEP #6532). Programs that do not qualify for NBCC credit are clearly identified. Advanced Counselor Training is solely responsible for all aspects of the program.**

This will be a live, interactive webinar using the Zoom platform. We will have interaction utilizing real-time questions and answers, Zoom polling questions, and breakout room small group exercises. We will determine conference attendance through Zoom logs, ensuring participants were attending during the entire conference. Your fillable PDF workshop evaluation will be emailed to you prior to the conference. Please fill out this evaluation and email it back to us at the same email address that sent you the evaluation. PDF Certificates of completion will be emailed to workshop attendees within 48 hours upon the return of the workshop evaluation and verification of attendance via Zoom logs.

New Jersey has been in the grips of an Opioid crisis for many years and the trending is not subsiding. The goal of this interactive workshop is to identify the current trends of this crisis on both a statewide and national level. Participants will explore the current medication assisted treatment (MAT) options and the best practice therapeutic approaches for working with clients who have an opioid use disorder. Recent changes in MAT options, such as medicinal marijuana, will be discussed. Discussion will also center around the classic abstinence based treatment approaches vs. a harm reduction model of treating those with opioid use disorder.
