Harm Reduction Workshop Objectives

Feedback from previous workshop participants

"One of the best informational workshops I have ever attended! Fantastic!"

"I've been licensed since 1998, and this was the most informative and entertaining workshop I've attended!!"

WORKSHOP OBJECTIVES

1. Workshop participants will be able to define harm reduction.
2. Workshop participants will be able to identify two harm reduction stances and be able to define the differences between these stances.
3. Workshop participants will be able to identify at least 3 harm reduction principles.
4. Workshop participants will be able to list how to use the DSM-5 and ASAM 3 criteria to help identify objective criteria to determine admission and/or continuing stay need.
5. Workshop participants will be able to identify how Motivational Interviewing and Stages of Change can be utilized as a therapeutic style using a harm reduction perspective.

Harm Reduction - Principles to Practice

What are the Goals of this Workshop for Providers?

The goal of this interactive workshop will discuss all aspects of harm reduction. Participants will be able to identify at least 3 principles of harm reduction work.

Participants will be able to define harm reduction. Participants will also be able to differentiate between a successful harm reduction approach and less successful approaches and identify at least two reasons behind unsuccessful approaches.

Participants will be introduced into the diagnostic criteria of the DSM and dimensional criteria of the ASAM 3, in the lens of determining the need of admission to treatment and continued care need from a harm reduction treatment perspective.

Participants will be able to identify three different medicated assisted treatments (MAT), and discussion of medicinal marijuana being added as an MAT option.

New Rule Adoption for NJ LPCs, LACs, LCSWs, LSWs, LMFTs and LAMFTs (1 Hour Opioid Education)

New Jersey recently passed a Rule Adoption that requires all LPCs, LACs, LCSWs, LSWs, and LMFTs to receive 1 hour of continuing education on opioid use disorders (treatment, assessment and diagnosing, the societal problem impact). This course meets that continuing education requirement! This course covers the history of prohibition, differentiation of opiates and opioids, medication assisted treatments for opioid use disorders, and the dangers associated with use.
