24 Hour Supervision Workshop Series

Previous workshop participant feedback

"The best professional development training I've attended in my 21 years in practice!"

"I found the enthusiasm and candor of the presenter the most useful; also his overall knowledge of the field and his knowledge of local licensure issues. I appreciated his use of vignettes and his overall ability to answer questions."

"I've never had a course that covers as much material in short time so effectively!"

This 24 hour workshop series will cover all content areas required by Alabama State Licensure.

1. Roles and functions of a counseling supervisor
2. Models of counseling supervision
3. Professional mental health related development
4. Methods/techniques in counseling supervision
5. Supervisory relationship issues
6. Cultural issues in counseling supervision
7. Group supervision
8. Legal/ethical issues in counseling supervision

24 hour Educational Workshop Series for the Alabama LPC Supervisor
Live, interactive webinar using Zoom
9 a.m. - 4 p.m. - January 26, 27 and 28, 2027

ABOUT THE PRESENTER: **Glenn Duncan LPC, LCADC, CCS, ACS** has been working in the behavioral healthcare field for 35 years. He has lectured nationally on many topics including clinical supervision. He is a Licensed Professional Counselor, a Licensed Clinical Alcohol/Drug Counselor, a Certified Clinical Supervisor, and an Approved Clinical Supervisor. Glenn has been providing clinical supervision for 30 years and most recently served as the Executive Director for an outpatient co-occurring capable program from 2003 - 2018. Glenn continues to provide clinical supervision as part of his private practice. Glenn specializes in working with clients who have co-occurring substance use disorders, depressive disorders, and anxiety disorders. Glenn served as an expert panel member for a SAMHSA TIPS book on treating sub-acute anxiety in the substance using population.

Since 1999, Glenn has also specialized in, and has developed a 24 to 45 hour workshop series clinical supervision. He is a leading behavioral healthcare lecturer on clinical supervision. Since 1999, he has continuously developed and taught this clinical supervision curriculum for Rutgers University among other organizations. He has consulted with organizations on how to enhance and implement best practice clinical supervision strategies. Glenn authored a chapter on the use of live supervision in a community treatment organization for the book entitled "*The Use of Technology in Clinical Supervision and Training: Mental Health Applications,*" published in 2016. **License #: 37PC00095000**

The pandemic showed us the convenience of attending a workshop in a live, interactive webinar setting. Due to the ongoing fluctuations with COVID, and with the ease of being able to attend a workshop at the convenience of home or work, this conference will be via Zoom as a live, interactive webinar. We will make this an engaging workshop experience for you (despite it being on Zoom)!
